Yes, I spoke to them all before scheduling the original meeting. I just needed to know who was being removed before I reached out for rescheduling.

Thanks,

Before my time in this role, I believe we coordinated with John (Fletcher) Mutz in the past to help schedule for key HQ senior leadership.

My preference would be Tuesday if we can find a workable time. The short list of folks I included below are the key folks we need to schedule around. (I can try and find a list of their schedulers if you don't have one handy)

Chris Hladick
Matt Leopold
David Fotouhi
Brittany Bolen
Lee Forsgren

Hi Andrew,

I will give you a call shortly. I don't late times will work for anyone on the East Coast for rescheduling. It would help if I knew who was being removed from the list and who the required attendees are so I can work around their schedules. The sooner I can get a message out to the schedulers, the better.

Thanks,

Michelle/Pam – Per an email I got from Chris we’re going to cancel this meeting. Can one of you give me a call?

I’m waiting to confirm with Chris but based on timing/availability next week I’m going to recommend that we don’t include the entire invite list from this original invite.

Can either of you begin to see if there’s an available time slot for these principal meeting participants next Tuesday (or late Monday / early Wednesday) if Tuesday does not work.

The principals are:

Chris Hladick
Matt Leopold
David Fotouhi
Brittany Bolen
Lee Forsgren
